Email 1: Request for Assignment Extension

Subject: Request for Extension on Assignment Submission Deadline

Respected Professor,

I hope this email finds you well. I am writing to respectfully request a short extension on the submission deadline for the Digital Literacy Assignment Project due on 31st March, 2026.

I have made significant progress on the assignment and have completed [80% of the simulations and report drafting]. However, due to preparation for term-end exams, I encountered unforeseen delays that prevented timely completion. I am committed to delivering high-quality work and can submit by three days from original deadline.

I would greatly appreciate your consideration of this request. Thank you for your understanding and support.

Best regards,

Adarsh Tyagi
